Little Rock  
Route 1-Box 67A-Central Airport Road  
North Little Rock, AR 72117

AUG 25 1993

Dear Sir/Madam

NOTIFICATION OF PLAN RECEIPT

EPA has received your plan/submittal as required under Section 4202 (a) (6) of the Oil Pollution Act of 1990 (OPA) Your submittal has been assigned the docket number shown at the top of this letter The docket number should be referenced in all future correspondence to the EPA

In order to facilitate the review process we request that you complete all applicable items on the attached form and return it to the following address by April 30 1993 You need not fill out the attached form if you have self determined that your facility is not a substantial harm facility

U S EPA Region VI  
Contingency Planning Section  
P O Box 303  
Dallas Texas 75201-9998

We will review all submitted information to determine if your facility could cause significant and substantial harm to the environment by the discharge of oil If your facility is determined to have the potential to cause significant and substantial harm to the environment we plan to notify you of this determination and request certification by July 18 1993, that you have ensured by contract or other approved means the availability of private personnel and equipment necessary to respond, to the maximum extent practicable, to worst case discharge or the substantial threat of such a discharge from your facility Upon submission of acceptable certification EPA will grant two-year extension to operate until February 18 1995 without an approved response plan Prior to the expiration of the two year extension EPA will complete its review of your plan and notify you of the results

9490471

Please be advised that (1) submittal of SPCC Plan in lieu of a response plan does not satisfy the requirements to submit a response plan under Section 4202 (a) of OPA 1990 (2) a company with multiple contiguous facilities may submit one plan but must provide site-specific response information for each of the facilities (3) a company with multiple non-contiguous facilities must submit separate plans for each facility location (4) if applicable you must submit a separate plan to EPA even if you were required to submit a response plan to other federal agencies including the U S Coast Guard (5) you need to submit only copy of any document to the EPA and (6) EPA's proposed rule on requirements for preparation of response plan pursuant OPA Section 4202 (1)(6) of the Oil Pollution Act was published in Federal Register Vol 58 No 30 February 17 1993 pages 8824-8879

Sincerely,

Donald P Smith  
Senior On Scene Coordinator  
U S EPA Region VI

Contracts or other approved means include

- (1) A written contractual agreement with a response contractor that identifies and ensures the availability of the necessary personnel or equipment within appropriate response times,
- (2) A written certification by the owner or operator that the necessary personnel and equipment resources owned or operated by the facility owner or operator are available to respond to a discharge within appropriate response times
- (3) Active membership in a local or regional oil spill removal organization that has identified and ensures adequate access through such membership to necessary personnel and equipment to respond to a discharge within appropriate response times in the specified geographic areas, or
- (4) Other specific arrangements approved by the Regional Administrator upon request of the owner or operator
